Boutique Luxury Villas in Samaná, Dominican Republic

Welcome

to our natural paradise

A simple guide to enjoying your stay
in harmony with nature and other guests.

LAS GALERAS · SAMANÁ · DOMINICAN REPUBLIC

OUR PHILOSOPHY

A place to care for

Our village was born out of a love for nature. We generate energy from the sun and wind, and use water from our own well, treated for use throughout the property.

We invite you to help preserve this special corner of the Caribbean through a few thoughtful gestures.

Energy and water

- Switch off lights, fans and air conditioning when you leave.
- Keep doors and windows closed when the air conditioning is on.
- Please avoid wasting water. Air conditioning is provided according to the terms of your booking.

Your villa

- Keep the villa tidy and the kitchen clean; wash and put away dishes and cookware.
- Take rubbish to the designated outdoor bins.
- Do not flush paper or sanitary products down the toilet; use the bin provided.
- Avoid eating on beds or floors, as this may attract insects.

SHARED SPACES

Saltwater pool and jacuzzi

Pool hours: 9:00 a.m. – 9:00 p.m.

- Shower before entering the water.
- Use only shatterproof containers in the pool area; no glass, please.
- Children must be supervised by an adult at all times.
- Keep the area clean and ask our staff about using the jacuzzi.

Peace and safety

- Respect other guests' peace and quiet by keeping music and conversations at a considerate volume.
- Do not light fires or park on the grass.
- Please report any damage or malfunction to our staff promptly.

Housekeeping and privacy

To respect your privacy, regular housekeeping and linen changes are available **on request for an additional charge**. Our staff will arrange access to your villa with you.
