

WELCOME TO LAS GALERAS VILLAGE !

This project was born as an ecological place, we have solar panels and a high level purification system to treat and take care of the quality of our water. For these reasons we ask you to please take care of your water and electricity consumption. All villas are private and are rented for short and long periods with a lease contract. We are not responsible for any damage suffered and caused by the use of the house, pool and common areas.

BREAKFAST HOURS WITH RESERVATION: 8 am - 10 am
